~ Thank you for joining us! We're so glad you're here. We encourage you to use the response cards on the Welcome Table to share prayer requests or share a need. If you are visiting please fill out a "Welcome" card and share your contact information and we'll get you connected to the Prairie Hills Family!

~ A Nursery is provided for children, but located towards the back left corner of the sanctuary is our "Pray Ground" where children and their families are invited to use during the service to engage in worship together.

~ Our Prayer Circle Ministry is Available in the area to the left of the stage following the worship service each week. There will always be 2 people present to pray with you. This is a wonderful opportunity to share in each other's joys and sorrows, needs and blessings. Let's seek God together - all are welcome.
